Community Safety Programs for Lake County Residents ONLY!

****Call the numbers listed at the bottom of this handout for more information and to see if you qualify for specific programs/services!****

VIAL OF LIFE:

Designed for seniors and individuals with a medical condition to provide pertinent medical information to responding emergency personnel. More information on the back of this flyer.

LOCKBOX PROGRAM:

Intended to provide Police, Fire and Emergency Medical Services (EMS) access to your residence in the event of an emergency where you are unable to open the door.

SafetyNet:

A radio transmitter tracking bracelet for residents who suffer from cognitive disorders and are prone to wander.

OPERATION AWARE:

Operation Aware is a program designed for the parents or guardians of individuals with special needs who might not be capable of providing valuable information about themselves in an emergency. Sponsored by several law enforcement agencies throughout Lake County, Operation Aware provides wearable technology which gives law enforcement and other first responders valuable information about the wearer and is offered at no cost to the residents of Lake County.

EMERGENCY TRACKING KIT:

In the event that a loved one with a cognitive disorder, a young child or any other resident who may be prone to wandering is found to be missing, Scent Kits can save a life.

Senior Watch: Please see back of this flyer for more information!

SMART911:

Smart911 is a free service that allows citizens across the U.S. to create a Safety Profile for their household that includes any information they want 9-1-1 to have in the event of an emergency.

Call one of the following numbers for more information about programs/services:
