Help For California Fire Victims

The Fairway Christian Church Missions Ministry has pledged \$5,000 for victims' assistance. In addition, the elders have endorsed a recommendation to the congregation that anyone wanting to assist, consider doing so by giving to IDES (International Disaster Emergency Services). IDES, headquartered at Noblesville, Indiana, has been a missions partner of Fairway for many years. They provide disaster assistance for causes around the world. They work through local churches to bring relief to Christian Church and Church of Christ members and their local ministries. When designated for relief efforts, 100% of the money given goes directly to the relief effort.

How Can I Donate?

If you would like to donate to IDES on behalf of the California Fire Victims, please make your check payable to Fairway Christian Church and specify IDES Fire Victims in the memo section of your check or put in an envelope with the appropriate IDES designation on the outside of the envelope and turn it in at Fairway Christian Church.
